

# Multi-Class Enhancement Package

Soleunique Dance Complex 2021-2022

Designed for the driven dancer who is looking to fuel their technique and enhance their artistry.

## **How It Works:**

Register and pay for a minimum of 6 core classes per week.

For an additional \$140.00 per term access will be granted to any additional NR (non-recital) class at any quantity. Dancers may drop into additional classes at any time without prior registration. This gives the dancer more freedom.

\*Multiple class discount does not apply in conjunction with the Multi-Class Enhancement Package

\*Sibling Discount still applies
