**Cost:** \$20.00 per ticket

Lap children ages 2 and younger do not need to purchase a ticket.

Dancers ages 3-7 will be provided with a complimentary ticket to sit with their family while they are not performing. To order a complimentary ticket you will need to enter a code. Your last name and 2024 (all lower case, no spaces). *Example: smith2024*

Make sure to toggle the ticket price to \$0.00 and add the complimentary ticket in your final ticket count.

**Student Seating:** **Section 201** (upper left side of auditorium) is reserved for dancers 8 and older to watch the show while they are not performing. Dancers do not need a ticket to sit in the student section. We ask that the audience remain quiet and seated while in the theatre so everyone may enjoy the show.

**Parents,** we so appreciate you shuffling your little ones backstage to our staff. We have reserved **Section 101** (lower left side of auditorium), rows O and P for your use. While you are very welcome to return to your ticketed seat, you are also welcome to sit in section 101 between dropping off and picking up your tiny dancer. We understand that it is often difficult to get back into your seat during the blackout part between dances.
